HERITAGE SOCIETY NEWSLETTER

Our fledgling organization is going to "take off" very soon, as we are about to elect our first board of directors! Please come to an election meeting on Monday, Feb. 2 at 7:30 p.m. in the Christian Church at the corner of Central and Carmel Avenues.

Nominations will be accepted from the floor if the nominee has consented to serve if elected. The following people have been nominated by a committee:

Officers

President - David Mills
Vice President - Jim Russell
Secretary - Kathy Martine
Treasurer - Nora Flatley
Members-at-large - Nancy Hauk
 Wilda Northrop
 Dorothy Kitchell

Committee Chairmen

Preservation and Restoration -
 Lowell Northrop
Historical Research -
 Kevin Howe
Membership - John Olkoski
Fund Raising - Jeanne Mills
Publicity - Wendy Howe

The committees will be anxious to get going and hope you will volunteer to help. In some cases the committees are already working. The research committee, for example, has a list of source materials and needs people to help dig. If the Society is going to succeed, all of you must take an active interest. It won't require any more time than you can spare, but it will require your enthusiasm!

Of special interest to those involved in preservation:

There is a sub-committee of the P.G. planning commission concerned with preserving the uniqueness - historically and architecturally - of the retreat area. This is the oldest part of Pacific Grove, and has already suffered through the construction of incompatible homes or tearing down of old ones.

Michelle Angelo, a member of the sub-committee and a designer, will speak to us at the Feb. 2 meeting about this project. She also will speak about the possibility of forming neighborhood workshops throughout P.G. to encourage residents to determine what restrictions they want put on their areas. Michelle wants the opinion of Heritage Society members, too. Come to the meeting and bring a friend along!
