## SPRING EXHIBIT AT KETCHUM'S BARN

Anne Downs, Lila Staples and Lori Forrest are putting together an exhibit focusing on the everyday life of women in 1890s Pacific Grove.

We are especially interested in locating old items which might have been included on a picnic outing (tins of food, flatware) and photos of picnics, or old cosmetic or medicine containers that might have been in a lady's supply satchel, as well as homewares and clothing of the period.

All loaned items will be treated with respect and will be returned after the exhibit. Please call Lila at 372-5112 if you have anything at all.

This particular exhibit will be on display during the Victorian Home Tour weekend.

## NEW HOST/HOESSESS COORDINATOR NEEDED

The Board of Directors has been informed that Carol-Jean Gingras, who has been serving as Chairman of Docents, has resigned, and a new volunteer is needed.

Please consider coordinating hosts and hostesses for Ketchum's Barn on Saturdays from 1 to 4 P.M. If you are interested, contact Lori Forrest at 373-6748.

THANK YOU

The Women's Civic Club has given the Heritage Society a \$25 donation in memory of Margaret Castro.

We also would like to express appreciation to those who have made contributions toward the completion of the park area adjoining Ketchum's Barn. We thank Hayward Lumber for lumber, and Ernie's Signs for inscriptions on the benches which will be placed around the well.

PROGRESS CONTINUES ON  
PARK AREA NEXT TO KETCHUM'S BARN

Sirrah Harris, Park Coordinator, reports that these donations have kept the costs down enough so that money can be used toward buying plantings. When the rains stop, volunteers will be asked to work in the area so that spading and clearing can be completed.

The benches should be in place by the end of the month.
